# Product description

**Ex<sup>2</sup> Compact** is a thick and solid high pressure decorative laminate for exterior horizontal applications. It is ideal for countertops thanks to its exceptional resistance to scratches, chemicals, impact and sunlight.

**Ex<sup>2</sup> Compact** is ideal for table tops used in public areas such as food courts, cafes and restaurant chains, in outdoor environments.

## Available widths:

- 4 x 8 ft (1,22 x 2,44 m)
- 4x10 ft (1,22 x 3,06 m)

## Recommended Uses

Its high performance against solar radiation makes it the perfect product for public and institutional furniture, work surfaces, café and restaurant tables tops, and for general use in decorative exterior horizontal application elements that are exposed to outdoor environments.

For additional guidance on quality, designs and availability please visit [lamitech.co](http://lamitech.co) and contact one of our representatives.

# Advantages

Available in more than 100 colors and designs.\*

Equivalent to the Panelex collection for Solids, Woodgrains, Stones and Youlab.\*

Easy and safe to install.

High resistance to chemicals such as alkalis, acids and strong oxidizers.

Moisture resistant.

High resistance to impact
