MirroFlex MAX Wall Panels

Take Your Design to the MAX

MirroFlex MAX offers deeply textured 4' x 8' wall panels in a thicker .045" material that is color-through for superior scratch and impact resistance. These are our boldest 3-dimensional patterns to date and provide even greater depth to walls.

With six contemporary designs, MirroFlex MAX will make any space the envy of everyone. The 4' x 8' wall panels also use our unique Built-In-Overlap (BIO) feature that makes seams less visible.
