Our super matte collection developed with high end technology for the most demanding horizontal applications, requiring the highest scratch resistance.

### **Applications:**

Kitchen counters, work surfaces such as desks and conference tables, among others.

OPAK can be produced in thin laminate, Compact and Chromacore. Check our range and available sizes.

Precise and strict cutting instructions should be followed to guarantee optimal appearance. Please contact our representatives for technical, maintenance and care information, or visit our website [lamitech.co](http://lamitech.co)
