

FUSION SCREENS

PRECISION-CUT METAL PANELS

Feature Walls, Partitions & Privacy Screens,
Light-filtering Installations, and
Exterior Screening

Fusion Screens precision-cut metal panels introduce pattern, dimension, and architectural character to interior and exterior spaces. Their open patterns interact with light to create dynamic shadow effects, adding depth and visual interest to partitions, feature walls, privacy screens, booth dividers, and other screening applications.

Fusion Screens deliver elegant light-filtering design with subtle privacy for this restaurant.

Available in multiple sizes with custom design options, Fusion Screens offer a flexible solution for architects and designers. Panels can be primed and painted in any color, incorporate branding or custom patterns, and pair with backlighting for added impact. With 20 standard patterns and mounting hardware available, Fusion Screens deliver a refined surface that balances creativity and performance.
