

INTRODUCING New **DiamondTECH** NO WAX SHEET VINYL

It's not a Surface Treatment. "It IS the Surface."

NO WAX

- A true no wax floor for the duration of its lifespan. TECHSurface is strong, easy-to-clean, multiuse commercial sheet vinyl flooring with extra durability and hardness.

ENVIRONMENTAL ATTRIBUTES

- Contains recycled contents
- No harmful materials
- Metal & solvent free
- No periodic renewal; sustainable maintenance
- NO EPOXY Adhesive required under hospital beds

PERMANENT DIRT REPELLENT SURFACE

- Decreases amount of cleaning agent needed resulting in reduced indoor air quality emissions & decreased quantities of contaminated water.

EXTENDED LIFE CYCLE

- 3 to 5 times greater than competitive products

GRABOSAN ANTI-BACTERIAL TREATMENT

- Anti-bacterial additives

EXPANDED WARRANTY

- 15 YEARS DiamondTECH

HIGH STATIC LOAD LIMIT

- 800 Lbs. Non modified results

SCRATCH RESISTANCE / ABRASION RESISTANCE

- TECHSurface surpasses 100,000 cycles

PATENTED TECHNOLOGY

- Surface is as hard as stone, but flexible and easy to apply

NO MODIFIED TESTING

- TechDesign does not change ASTM Test Standards to skew data

GREAT DESIGNS AND COLORS

EXCELLENT SLIP RESISTANCE

- ASTM-D2047-99 >0.8 both wet & dry

SUPERIOR CONSTRUCTION COMBINED WITH STUNNING COLORS AND DESIGNS MAKES TECHDESIGN THE IDEAL CHOICE FOR HEALTHCARE, HOSPITALITY, RETAIL, CORPORATE, AND EDUCATIONAL FACILITIES.

Stocked in the USA
